Holding the World's Insulation in Place

## QUILTING PINS

This fastener is used to provide support (quilting) of the insulation material in a blanket or removable pad. Quilting Pins are normally used, in addition to Lacing Anchors, to fabricate blankets and are secured with a self-locking washer.

### Specifications

D	C	L
14 ga (.080)	7/8"	2-1/2"
14 ga (.080)	7/8"	4-1/2"
